

Thank you for attending **FC Dallas Emerald Coast** tryouts!

You will receive a phone call from your coach regarding your child's tryout. If you are not contacted by Monday, call Phil Rose at 687-0755 so that he can put you in contact with the appropriate coach. Please do not call before Monday evening.

If your child was not selected for a team, we will also have an opportunity for players to sharpen their soccer skills in the "player pool." Pool players are invited to train with the club but do not participate in games/tournaments unless requested by the team. The fee for pool players is significantly lower because they are not attending games/tournaments, but they will receive the same training, are invited to attend skill training sessions, and goalkeeper sessions at no additional charge.

If your child is invited to play with the Club either on a team or as a pool player, they will be required to register:
